

## A New Way to Join the Farm! The Local Foods Market

The Local Foods Market was developed in response to member's requests to have easier access to locally grown or locally produced foods. Many members were travelling farm to farm in search of local meats, dairy, bread and other products to complete the meals they were preparing with their CSA vegetable share. As our product line grew and the word spread, many non-CSA members asked to be allowed to make food purchases at the Local Foods Market (LFM). We were thrilled by this response. Our current land cannot support the number of families who want to purchase our CSA shares. We have a waitlist of over 200 families who are committed to eating more sustainably. The Market can help these families and other community members on their quest and at the same time; allow them to experience the farm and support other farmers. **We have two LFM membership categories:**

**Basic Membership: \$20**

**Suggested Membership: \$50** (*entitles you to pick a bunch of fresh herbs when you shop*)

Your membership supports the farm's educational mission, **is tax deductible** and allows you to shop at the market during our open hours:

**For 2010:**

The Market opens for the season on Friday, April 9, 2:30p-7:30p

Then every other Friday (April 23, May 7, and May 21) 2:30p-7:30p

From June 1 to mid-November our hours will be:

Monday, Wednesday, Friday 2:30 to 7:30pm.

Mid-November to Christmas hours TBD

Once we are open 3 days a week, we will have a full line of fresh bread and dairy in addition to frozen products and other non-perishables (see website [www.pennypackfarm.org](http://www.pennypackfarm.org) for more details). We are considering opening on Saturday mornings as well.

**Your membership is valid until December 31, 2010.**
