

## 2010 Pennypack is Growing! Fundraiser

The Farm is adding acreage! That means more variety, vegetables, and shares for you, and more local food for the Horsham community.

It also means we need to fund purchases to make farming our new acres possible. A new tractor, tractor shed, irrigation, and hoop house will allow us to efficiently grow more nutritious and delicious food, and rest some of the land that has served us so well over the past 8 years.

### Our goal is \$60,000

Proudly display your support for Pennypack Farm with one or more of the following gifts displaying Pennypack's logo!

\$100 donation = car magnet

\$250 donation = canvas tote bag + car magnet

\$500 donation = stainless steel water bottle + tote bag + car magnet

\$1,000 donation = an invitation for donor and guest to an exclusive dinner cooked by farm staff/chefs + water bottle + tote bag + car magnet

Our goal is achievable when **every single CSA member family, waitlist family and fans participate!**

Help us get there today with your generous **tax-deductible** donation.
